MARKET REFLECTS STRONG FEELING OF CONFIDENCE

Confidence was the underlying tone of the stock market today. This confidence is not confined to present business conditions, the present sugar market, but is in the future of these as well. The sentiment is expressed on all sides that the last bar to profitable sugar production was removed when the President affixed his signature to the Kitchen free sugar repeal bill and that producing companies now know exactly where and how they stand and can proceed accordingly.

While the stock market is strong here it is even stronger on the mainland and quotations from San Francisco are in many instances higher than prevailing local prices. This may be explained by profit taking here. Between boards there were heavy transactions in McBryde and Pioneer, which were easily the features of such trading. Session sales totaled 758 shares, while the transactions between boards amounted to 452.

Indigestion May Be Due To Constipation

Neglect of Important Function May Seriously Impair the Health.

There are many people who believe they suffer from indigestion when their discomfort really is due to a constipated condition.

Bloat, with its attendant mental depression, sick headache, the belching of sour stomach gasses, etc., are frequently due to infection of the bowels. Relieve the congestion and the trouble usually disappears. The use of cathartics and purgatives should be avoided, however; these shock the system unnecessarily and, at best, their effect is but temporary. A mild laxative is far preferable.

The compound of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for fifty cents a bottle is highly recommended. Mr. Benj. Bassin, 360 Madison St., Gary, Ind., thinks Dr. Caldwell's Syrup Pepsin a wonderful medicine; for four years he had a severe case of indigestion and constipation before trying Dr. Caldwell's Syrup Pepsin, which he is glad to recommend to all who suffer with stomach and bowel trouble.

J. W. JUMP CONTINUES TO BOOST HAWAII TO MAINLAND NEWSPAPERS

James W. Jump, who jumped from Catalina to Hawaii during the winter, has received the title of Booster in Chief for Hawaii. Wherever he goes he tells the same tale of the great fishing in Hawaii. In an interview published in the San Francisco Examiner Mr. Jump says:

"I have fished in all parts of the country for many years, but I must admit that Hawaii has got them all beat. I went down to the islands to spend three weeks, and was so taken with the climate, fish and the all-round good fellows that I decided to stay three months instead. I won the G. P. Cooke silver cup for 30-pound game fish with light tackle. Hawaii has, I guess, about 25 species of game fish."

Jump lives in Los Angeles and will leave for home in a day or so. He holds many fishing records made at Catalina islands.

PRACTISE FIRST AID WORK. First aid exercises were practised yesterday by the Punahou cadets, rain in the afternoon preventing regular drill work. Capt. Hickman and an assistant put the boys through a course in caring for wounded and drowning persons, which was much enjoyed by them.

BENJ. BASSIN.

A bottle of Dr. Caldwell's Syrup Pepsin should be in every home for use when occasion arises. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill., or by calling at Benson, Smith & Co., wholesale distributors, Honolulu.—Adv.
